Tintin au pays des Soviets – Colour edition 2017

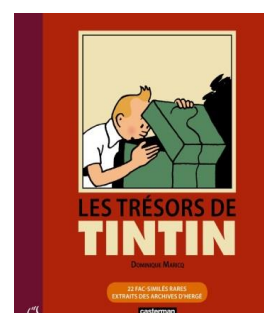

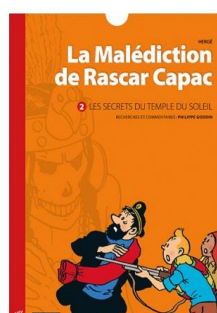

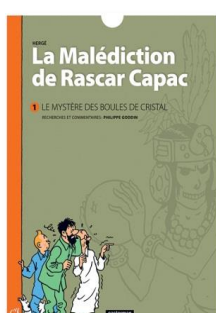

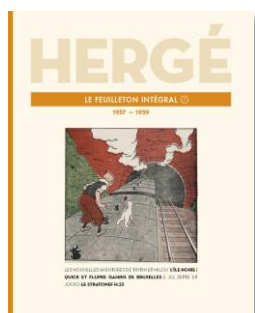

Technical Specifications :

- **Format : 226 x 304**
- **144 pages**
- **Hardback**
- **Colours**
- **Public retail price : 14,95 €**
- **Published in January 2017**

First published in 1929, Tintin in the Land of the Soviets did not again become available to the general public until 1973. This first great Tintin adventure introduced the brave reporter and his dog, and set the stage for the rest of Hergé's career as a master comic strip author.

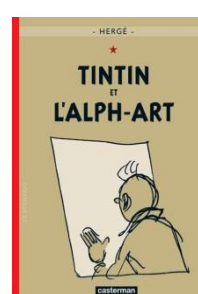

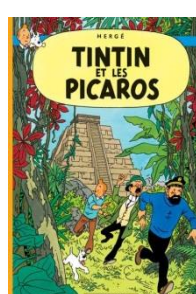

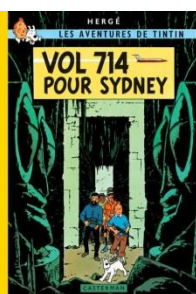

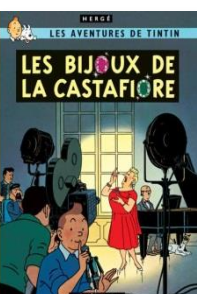

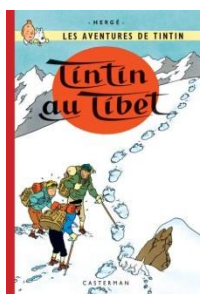

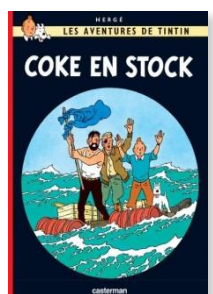

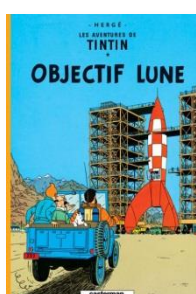

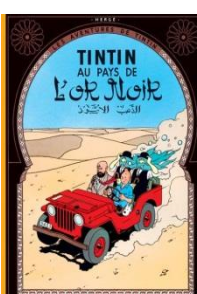

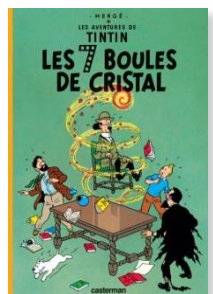

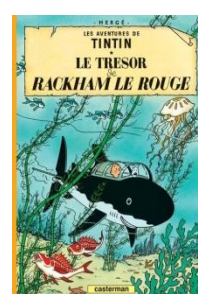

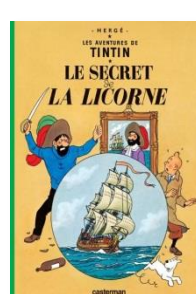

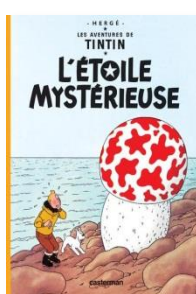

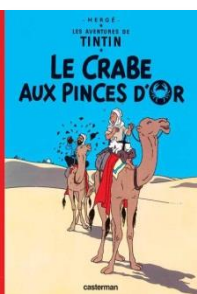

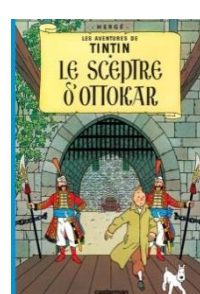

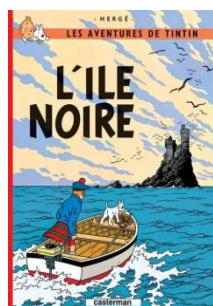

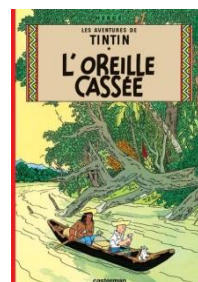

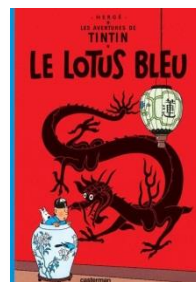

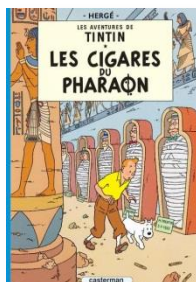

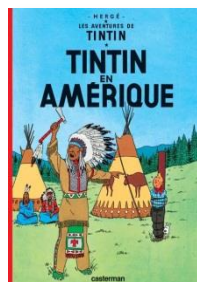

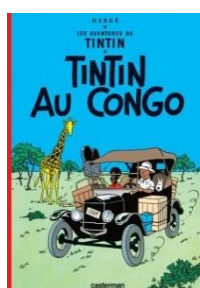

The colour in the new version of the story has the effect of increasing legibility, as it underscores the clarity of the drawings. The new version was created with great attention to the restored original plates; the result is surprisingly modern, like a new adventure.

Canales / Pellejero / Pratt

Corto Maltese

Vol. 13 Sous le soleil de minuit

A faithful and modern rerun of a contemporary legend. Pellejero takes over all graphical codes of Hugo Pratt while adding his own personality to the story through the landscapes, the secondary characters and the colouring. The new scenario imagined by Canales reuses all of Pratt's important stories characteristics (treasure hunt, genuine historical facts, loyalty towards friends, etc.) The powerful dialogues will delight the fans as much as they will appeal to the uninitiated.

After more than 20 years, Hugo Pratt's hero is back !

La révolte des terres

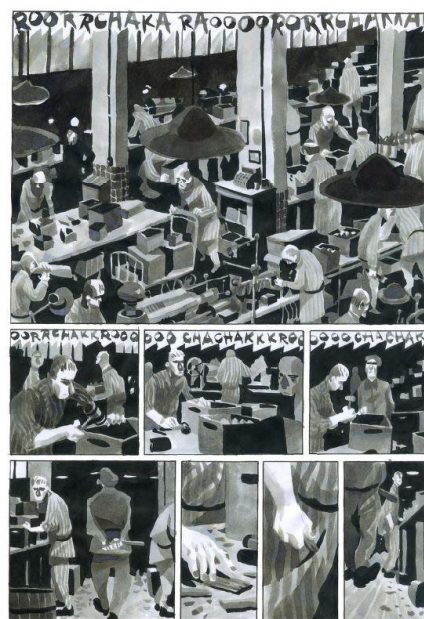

Temporary cover

In 1941, Northern France is of high strategic importance to the Nazis. When a general strike arises among minors to protest against their working conditions, Fernand feels very little concerned and gets blamed for his cowardness by Gilles, his brother-in-law. The Germans' reaction is immediate: violent repression, arrests, and executions. Still in bad terms, Fernand and Gilles get deported together to the concentration camp of Sachsenhausen where their quarrel will be an obstacle to their survival.

Max de Radiguès Bâtard

In the Southwest of the USA, May and her son Eugene are driving away with the trunk of their car full of bank notes. They were just involved in a planned simultaneous large-scale bank robbery. After a few days, some robbers' bodies are discovered all over the country. Now, instead of escaping the police, May and Eugene have to escape their former partners who want to keep the loot for themselves... In the spirit of "Bonnie & Clyde", or "The Getaway" with Steve Mc Queen, it's the trip of a surprising couple of runaways, a mother and her son.

In the land of Guirlanda, the peaceful people of Guirs lead a quiet life in a preserved world where many fantastic animals live. Their everyday life is however turned upside down when the magic man predicts a great change. Hippolite's wife has been missing for several days when he decides to go looking for her. A rumpled muzzle saw her going to the Nest Laguna. This can only mean that she's pregnant. On his way there, Hippolyte will take a shortcut that will launch a series of unfortunate events.

An epic and fantastic tale about religious beliefs, Greek tragedy, knowledge and the mysteries of motherhood, where the authors re-invent the classic tale, adding literary references such as Moebius, Fred or *the Moomins*.

In Corsica, « Mazzeru » is the name given to persons leaving to hunt in their sleep. In their dreams, they bring back a prediction. In the maw of the animal they killed, they recognize a relative who will have the same tragic death within a year... The mazzeri are the victims of their own gift and despite themselves, they announce these tragic upcoming events against which it's really not recommended to take any action.

Bastien Vivès

Une soeur

Temporary cover

Rights sold in Italian and Spanish

Antoine, 13, spends his summer holidays by the sea with his parents and younger brother. They both spend most of their time drawing, at the restaurant or at the beach, between two crab fishing trips. One night, Antoine discovers another person in their room. Hélène is 16 and came with her mother for short holidays. Her presence and her behaviour cause Antoine an ambiguous trouble.

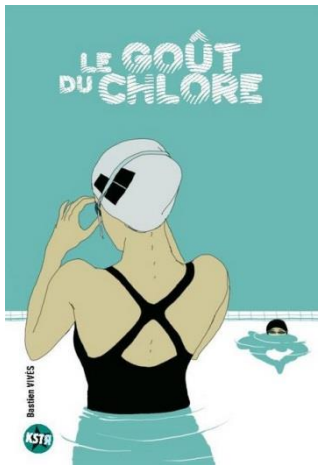

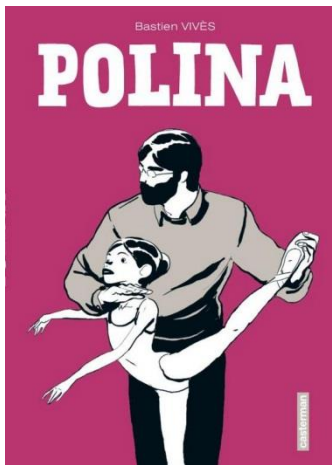

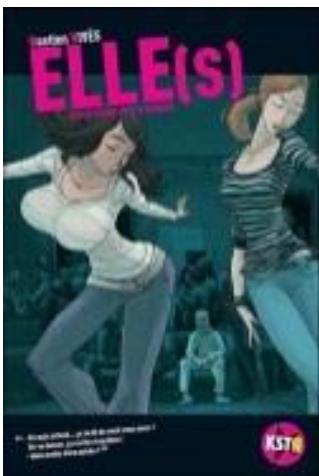

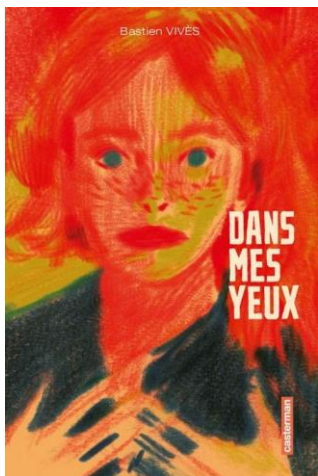

What starts as a summer romance soon becomes a tensed narrative, that goes well beyond the mere erotic emotion. Bastien Vivès offers here a deeper work, while his graphic style is more and more refined, pure, almost abstract.

Face au mur – Vol. 1

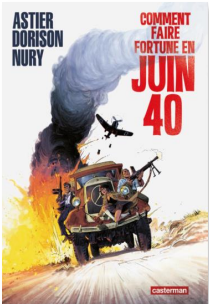

Insights into crucial parts of a famous gangster’s life: his childhood and the causes of his anger, his life in prison and his escape, and 20 years later, how he’s going to get caught. Condemned for organized crime, Jean-Claude Pautot told about prison, armed robberies, hiding, escaping, etc. to Laurent Astier, and they created together a fiction based on reality.

“My job is in my record: multi-recidivist robber. This is the only thing I can do. From the beginning I knew it wouldn’t end well. But I didn’t know where or when. Even less how. And if someone had told me, it wouldn’t have changed anything.”

Andersen, les ombres d'un conteur

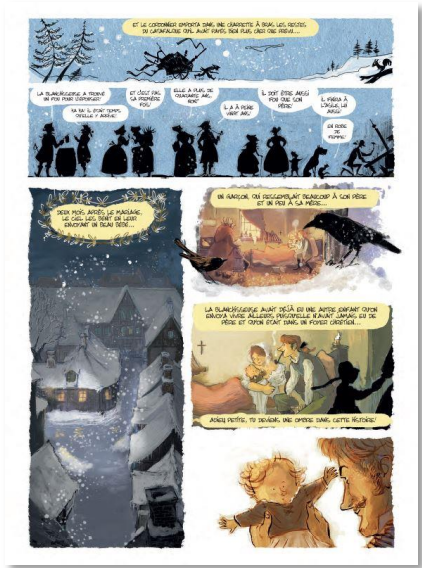

Rights sold in Chinese, Korean and Russian

Who is hiding behind the world-famous tales as the *Little Mermaid*, *The Little Match* or *The Ugly Duckling*? Nothing but the polished, serious and childish face Andersen himself showed the world. A chaotic journey takes him from misery in a secluded Danish countryside to the Copenhagen upper class. Beyond hagiography, Nathalie Ferlut questions the characters and explores the shadows of the storyteller, those little fairy-tale characters that show what Andersen wishes to hide, his dark sides: his illiteracy, his sad childhood, his retained homosexuality or the fear of madness.

Louise, le venin du scorpion

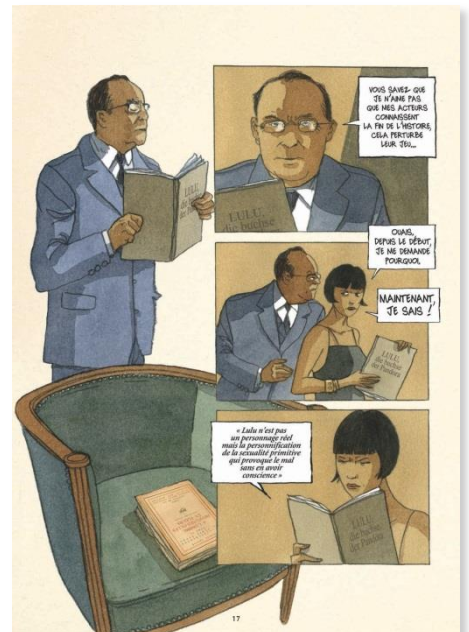

Louise Brooks was the symbol of the Flappers. With her bob haircut, she broke many hearts and opened a new path in feminism.

Hurt and molested from the earliest age, her mother never fully accepted her, thus causing her never-ending feeling of failure and her need to rush forward.

Her bad-temper and relationship to men forced her to leave the studios very early, so she had a brief career and was almost forgotten, until the New Wave turn her into the icon she is today.

Joséphine Baker

Rights sold in English and Spanish

Josephine Baker was twenty years old when she found herself in Paris for the first time in 1925. Overnight, the young American dancer became the idol of the Roaring Twenties. In the liberating atmosphere of the 1930s, Baker rose to fame as the first black star on the world stage. After World War II and her time in the French Resistance, she decided to devote herself to the struggle against racial segregation, the humiliation of which she was all too familiar with. She led by example, and over the course of the 1950s adopted twelve orphans of different ethnic backgrounds: a veritable Rainbow Tribe. Josephine would be a victim of racist abuse throughout her life, but she would sing of love and liberty until her final breath.

Between glamour and humanism, this graphic novel tells the tumultuous life of the first world-known black celebrity.

William Adams, samourai – Vol. 1 Aux confins du monde

Rights sold in Polish

William Adams is a British sailor from the 17th Century who casts away on the coast of Japan. He's immediately made captive by a local Lord, whilst the powerful Jesuits demand his execution. A major army General, Ieyasu Tokugawa decides to save his life in exchange for his military knowledge and the use of his technologically advanced ship in the civil war that is about to break out. From that point grows a deep friendship between the two men, filled with suspicion and opposition.

Duel

Strasbourg, early 19th Century, Lieutenant d'Hubert needs to arrest Féraud, another cavalryman for fighting in duel despite the Emperor's ban to do so. Féraud is very talented with a sword but his pride and high temper make him a very difficult soldier to control. He's the exact opposite of d'Hubert, moderate and originated from a noble family and whose ambition is to integrate Napoleon's guard. Féraud resists his arrest and fights d'Hubert in duel who's left with no choice but to defend himself. This fight is the beginning of a long-lasting hatred between the two men.
